

**STATEMENT OF CANDIDATE FOR
ROCKLIN UNIFIED SCHOOL DISTRICT**

Mark R. Klang

Age: 43

Occupation: Incumbent/Military Officer

Education and Qualifications: When you elected me, I promised to change the grading system at Rocklin High, adopt an elementary school math program that meets state standards, use tax dollars in a fiscally conservative manner, and reduce overcrowding in our schools.

Since I have been elected, I spearheaded changes to the Rocklin High grading system, instituting a policy that imposes timely deadlines for students to complete their work. I also led the successful effort to eliminate and replace an elementary school math program that neither met state standards nor provided a textbook.

I've been prudent with your tax dollars, vital in a time of state budget woes. While I have supported necessary cuts to the budget, none has impacted the classroom. I have made our children my number one priority.

We have also opened three elementary schools, culminating in our second high school and an additional elementary school to be opened next year. We have accomplished this without raising your taxes.

In the next four years, I will strive to provide the best educational programs and spacious facilities for our children. With your vote, I will accomplish this goal.

Thank you.

I welcome your input. Contact me at 632-1301 or by email, markklang@msn.com.
